ABOUT THE PROGRAM

The Pforzheim MBA provides the academic and professional edge by following a two-tier strategy that will equip our students with distinct competitive advantages for the business of tomorrow. International, generalist and profound classical management foundations are integrated with the most relevant future topics: Innovation Management and Sustainable Globalization.

It is the aim of the Pforzheim MBA International Management program to enable our students, as future managers, to meet these challenges for the benefit of their companies.

80% of Pforzheim MBA students are internationals, coming from all continents. Global, intercultural networking begins right in the classroom.
