We would be happy to cooperate with you!

There are many different ways to interact with our MBA program as a whole and our students on small group or individual basis:

Company Visits: Plant tours, presentations and direct contact with managers and HR personnel help our students to get in touch with German industry. Let your company be part of it!

Companies in Classroom: We regularly invite experts of companies into our classroom. This gives our students the opportunity to discuss current business issues and career perspectives with high-level executives. If you are in the Pforzheim region, we would be happy to welcome you to our classroom.
